Despite ongoing restrictions due to the covid pandemic we welcome an extra councillor to our team, and we now feel that we are back on track. We have upgraded our street lights and set up a pond committee to oversee the cleaning, maintenance and restoration of the pond to good health. A village speed watch group has also been set up and is now active, as the parish council continues to drive for safer roads and footpaths within the village. An additional litter bin along with some pick up after your dog signs have been installed. As we move ahead into a new year, we are looking at ways to reduce carbon footprint for the parish and make our village a greener and improved the environment.
